Jointly Organized by College of Nursing & Community Health Dept.

LEADERSHIP & MANAGEMENT FOR HEALTHCARE PROFESSIONALS

Date: 23rd & 24th June 2026

Timing: 8 am - 5 pm

Venue: Conference Hall, SSH

Greetings

Greetings from St. Stephen's Hospital. We have immense pleasure in inviting you to the Conference scheduled from 23rd to 24th June 2026

Target Group

Under graduate and Post graduate students, Nursing Educators, Nursing Administrators, Faculty members, Researchers and Healthcare Professionals.

About the Institution

St. Stephen's Hospital, Delhi is a charitable mission hospital established and run by St. Stephen's Hospital Society. It had a humble beginning in 1885 as a 20-bed hospital in Chandni Chowk in memory of Ms. Priscilla Winter, a non-medical missionary. By 1908, the hospital grew into 100 bedded Women and Children's hospital relocated at Tis Hazari. Today this modern well-equipped hospital has a strength of 501 beds in various specialties and super specialties. Education and training of medical, nursing and allied health professionals is an ongoing programme in this institution.

Established in 1908 and founded by Ms. Alice Wilkinson, a pioneer and co-author of the constitution of the INC, we have one of the oldest nursing schools in the country. In 1952, we started the A-grade Diploma course and then the General Nursing & Midwifery course. In the year 2008, the School of Nursing was upgraded to College of Nursing affiliated to GGSIPU and B.Sc. (Hons.) Nursing was started with 50 seats alongside 50 seats for GNM. From the academic year 2026 onwards, the intake capacity for both B.Sc. (Hons.) Nursing and GNM Programmes have been enhanced to 75 seats each. We also have M.Sc. Nursing with 15 seats and Post Basic B.Sc. Nursing with 20 seats.

The Community Health Department of St. Stephen's Hospital came into existence in 1983 and is owned and funded by St. Stephen's Hospital. Located around 16 km away from the main hospital in a resettlement colony of North-East Delhi at Sunder Nagari, the department has since been dedicated to serving vulnerable and disadvantaged populations through accessible, compassionate and community-oriented healthcare services.

About the theme:

The theme, "LEAD BEYOND LIMITS: Shaping Visionaries, Driving Change," focuses on the importance of visionary leadership and effective management in healthcare. The conference aims to empower healthcare professionals and students with leadership skills, innovative thinking, and strategic decision-making abilities to address the evolving challenges in healthcare.
